U N I K A S S E L V E R S I T Ä T

Position offer:

In the Faculty of Organic Agricultural Sciences
Department of International Agricultural Policy and Environmental Governance
(Prof. Dr. Andreas Thiel)
Conditional on final approval of funding
by the German Ministry of Research
at 1.5.2017

Stellen-Nr.:21108337

Position Number: 30052

Research Assistant (EG 13 TV-H)

Part time, 65% of regular full time employment, temporary employment for 3 years (§ 2 Abs. 2 WissZeitVG) in the planned project "Steer". Doctoral studies given.

Tasks:

Research in the area of analysis of Institutions and Governance in intersectoral coordination in river basin management (Nexus Governance) as part of the third party funded project STEER (Steering competence for achieving the aims of integrated water management). The project will be undertaken by the Section on International Agricultural Policy and Environmental Governance of the University of Kassel, in collaboration with the University of Osnabrück, the German Institute for Development Research DIE-GDI and Ecologic and other partners worldwide. Tasks: coordination of the work package concerning comparative analysis of nexus governance in five case studies, development of a conceptual and methodological framework, collaboration and development of indicators for measuring the performance of governance, execution of the Spanish case study (Gathering of primary and secondary data in the Guadalquivir basin), coordination of stakeholder workshops in Spain. The project provides for the opportunity to obtain a Ph.D. degree.

Requirements:

Concluded, scientific studies in the social sciences and on a related topic (e.g. agricultural sciences, economics, political sciences, geography, environmental management), good knowledge of and interest in agricultural, environmental and resource economics; environmental policy and water policy, knowledge of institutional analysis and interdisciplinary social-ecological systems research, fluent in English (orally and in writing). Desirable: fluent in Spanish, good command of German, good knowledge of quantitative and qualitative methods of social science research, organisation skills, flexibility, ability to work under pressure. Experience with project work.

For further questions, please contact Professor Dr. Andreas Thiel: thiel@uni-kassel.de.

Deadline for submission: 16.03.2017

The University of Kassel is an equal opportunity employer and aims at a clear increase of the proportion of women in research and teaching. Qualified women are therefore expressly requested to apply. Under the precondition of equal qualification, disabled persons will be preferred. Applications indicating the Position Number, which may be in digital form, should be sent to the President of the University of Kassel, 34109 Kassel, Germany or bewerbungen@uni-kassel.de.
